Coronavirus Song (Tune: Frère Jacques)

Stay at home with everyone,
Until the Coronavirus has gone.

It won’t last forever,
We’ll soon be all together,
Stay at home, stay at home.

Wash your hands to keep germs away,
Make sure you do it throughout the day,

It won’t last forever,
We’ll soon be all together,
Wash your hands, wash your hands.

Just stay calm, there is nothing to fear,
It’ll all be over, later this year,

It won’t last forever,
We’ll soon be all together,
Just stay calm, just stay calm.

Enjoy yourselves each and every day,
Use this time to have fun and play,

It won’t last forever,
We’ll soon be all together,
Enjoy yourselves, enjoy yourselves.
